D. Carlos I e D. Manuel II, com sobretaxa. 1919

Sobre selos de D. Carlos I, com sobrecarga «REPUBLICA», da Casa da Moeda.

Segundo o citado filatelista, os selos de D. Carlos I com a sobrecarga "Republica" da Casa da Moeda, depois de sobretaxados e colocados no mercado foram de imediato adquiridos na sua totalidade por três indivíduos, que os saçambarcaram para especular com eles, fazendo passar a ideia de que tinham inutilizado a maioria deles. O catálogo Yvert de 1920 já os cotava em 10 francos. Porém a ameaça pelos vistos não se confirmou, pelas interessantes afirmações do Sr. Alberto Correia:

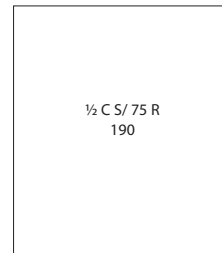

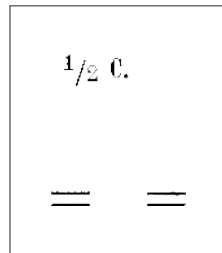

Não se precipitem, porém, os colecionadores, nem se deixem iludir.

Opactode inutilização não foi cumprido (não é gentedisso...) e os selos restam e serão guardados pelos seus saçambarcadores, que os irão impingindo aos poucos, até terem apurado o preciso, para todo o restante ser ganho, e tirarem então, com eles, para o mercado a preços quase faciais – se é que já algum deles, desconfiado dos outros, não tenha feito isso.....

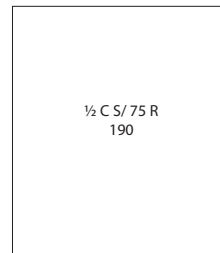

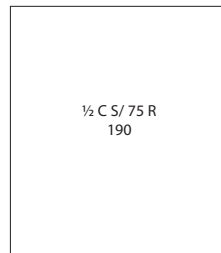

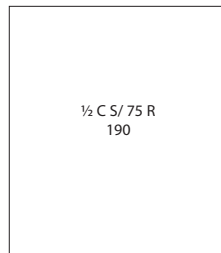

Tais factos justificam que estes selos não apareçam circulados. Não tenho conhecimento de qualquer carta ou objecto postal circulados com estes selos, pelo que à cautela os catálogos especializados deveriam realçar tal facto. Dos restantes conhecem-se exemplares circulados.

O primeiro selo tem o 2º esguião com a falta da haste queremata o extremo direito da base do algarismo e o quarto selo 2º esguião completo. Esta chapa contém outra variedade que não é visível nos selos de D. Carlos I. Na sobretaxa do 6.º selo (2.º selo na intercepção da 2.ª fila e da 2.ª coluna) a distância entre o 2º e o C é de 2,2 mm enquanto nos restantes é de 1,7 mm.

ANGOLA

Nasci há 46 anos em Angola na cidade de S. da Bandeira, distrito de Huíla. Aos seis anos comecei a colecionar selos de Angola, em 1974 em virtude da Independência tive de fugir para Portugal com os meus pais e irmãos. A minha pequena colecção com alguma história postal, veio nos caixotes de barco para Portugal, os quais foram saquiados vezes sem conta, e vi desaparecer, assim, a minha primeira colecção. Passei, então, a colecionar selos de Portugal.... até que em 1995 descobri o balcão de filatelia dos correios de Setúbal. Juntei durante estes anos selos de Angola e das outras ex-colónias, em 2007 comprei no ebay o meu primeiro lote de Angola. A partir desse momento até hoje tenho dedicado uma boa parte do meu tempo ao estudo da filatelia e da marcofilia desta maravilhosa Ex-Colónia.
